Batheaston New Village Hall - Children and Vulnerable Adults Policy v1.0 12 Dec 21

The Batheaston New Village Hall Trustees, manage the Hall premises which can be used to provide activities for children and vulnerable adults.

It is the intention of the Trustees to ensure that children and vulnerable adults who come into the premises are provided with a safe and secure environment and are protected from harm.

- It is the Hirers responsibility to ensure that any activities for children, young people and adults at risk are only provided by fit and proper persons in accordance with current legislation.
- The hirer must have a Safeguarding Policy and must have evidence that they have carried out relevant checks through the Disclosure and Barring Service (DBS).
- All reasonable steps must be taken to prevent harm, and to respond appropriately when harm does occur.
- Relevant concerns must be reported to the Trustees.

The Trustees require that the same responsibilities and conditions of hire, which apply for the use of the hall in general, also apply to the provision of activities for children and vulnerable adults (i.e. health and safety and fire regulations etc).

In addition, the Trustees have set out conditions of this policy with which the Hirer must comply for activities that include children and/or vulnerable adults as a condition of hire of the premises.
